Bachelor of Science, Double Major in Computer Science and Linguistics

- Dean's List: Fall 2024 – Present

Pittsford Mendon High School June 2024
Regents Diploma with Advanced Designation

- High Honor Roll, 2019–2024

EXPERIENCE

Wegmans Food Markets May 2025 – Present
CIS eCommerce Intern

- Designed a store-wide dairy aisle labeling system projected to reduce item-location time for customers and shoppers across 114 Wegmans stores by building a standardized digital labeling framework and operational guide.
- Collaborated with cross-functional CIS and eCommerce teams to translate operational shopping needs into scalable technical requirements.

William & Mary Club Rowing December 2025 – Present
Head of Team Fundraising

- Grew fundraising toward a $30,000+ target for a 100+ member sports club by leading and coordinating internal and external outreach initiatives.
- Maximized member participation by organizing structured outreach campaigns and delegating tasks across the team.

William & Mary Student Unions and Engagement August 2025 – Present
Audio Visual Technician

- Delivered reliable live-event production for high-visibility campus events by serving as the on-site technical point of contact and troubleshooting AV systems in real time.
- Met non-technical clients' presentation needs under tight timelines by communicating clearly and adapting rapidly to last-minute changes while maintaining professionalism.

Wegmans Food Markets December 2021 – May 2025
Front End Associate

- Improved customer experience inside and outside the store by aiding customers with the adoption of a new shopping technology and maintaining an efficient checkout station.
- Supported smooth front-end operations by communicating effectively with managers and coworkers.

TECHNICAL SKILLS

Languages: Python, C/C++, Java, Bash
Tools: Git, Linux, Photoshop, Premiere Pro, DaVinci Resolve
